

## **How do I use my easyessentials face mask?**

- Wash your hands with soap and water for at least 20 seconds before putting on and taking of the face mask.
- Only touch the elastic when putting it on or taking it off.
- Make sure your mouth, nose and chin are well covered and don't touch it anymore.
- Wear the face mask for up to 4 hours at a time.
- Store the clean or used face mask separately from each other in a sealed bag.
- After each use, wash the face mask at 60 °C in a full washing program.

Wash only with detergent, don't add a fabric softener.

- Wash your hands after you put the face mask in the washing machine.
- Do not use at children under 3 years of age.
